**NATURE Ralph Waldo Emerson: Nature (1836)**

beheld God and nature face to face; we, through their eyes Why should not we also enjoy an original relation to the universe? Why should not we have a poetry and philosophy of insight and not of tradition, and a religion by revelation to us, and not the history of theirs? Embosomed for a season in nature, whose floods of life stream around

**NATIVE AMERICANS AND NATURE: VIEWS AND VALUES**

- Nature is something we live within and as a part of it No essential separation: no transcendental dualism, no Enlightenment search for objectivity, no Puritan fear of dangerous, chaotic nature, not distant observation in Romanticism
- Nature is the location of spirituality ...

**Plato's theory of Love: Rationality as Passion**

Plato's theory of Love: Rationality as Passion Lydia Amir writings on love (mainly the Symposium whose explicit subject is the nature of love and Phaedrus, but also the Republic and the Laws), the tradition flourished through Aristotle, Plotinus and the revival of neo-Platonism in the When we love something, we are really seeking to

**The Social Psychology of Love and Attraction**

Love is a universal emotion that has become the basis of marriage and family for many societies, which researchers continue to explore This research will add to the knowledge of interpersonal romantic attraction, further exposing love's complex nature Dr Earl Naumann's (2001) survey in his book, Love at First Sight, served

**Why do we need to take care of our birds?**

Why do we need to take care of our birds? The EU's rich diversity of over 500 wild bird species has been facing severe threats for a long time Urban sprawl and transport networks have fragmented and reduced bird habitats, intensive agriculture, forestry and fisheries and the use of pesticides have diminished their food supplies, and
